## ABOUT US

Established in the year 1996, at Dehri-On-Sone (Rohtas, Bihar)& led by Proprietor Mr. Santosh Gupta, MaaVainav Pipe Industries is an ISO 9001:2015 Certified Co., successfully ranked amongst the top manufacturer and supplier of the best quality RCC Hume Pipes, RCC Manhole Covers & Frames, RCC Half Round Pipe, RCC Pipes, Precast Boundary Walls, Interlocking Concrete Paver Blocks, Concrete Chequered Tiles, Cemented Gamla&Jalis, Concrete Fancy Polls, Railing Pillars & other RCC Products. We manufacture & supply all these products under the brand name of MVPI, a Registered Trademark owned by MaaVaisnav Pipe Industries.

The entire range is precisely manufactured using excellent quality approved raw material available in the market and sophisticated technology under the guidance of our experts.

Our offered range is extensively appreciated among our valuable clients for their unique features such as dimensional accuracy, robustness, premium quality, attractive look, easy installation and longer life. Our precious clients can avail products in both, standard as well as in customized options as per their varied requirements. Apart from this, we offer these products to our precious clients at very reasonable price.

## OUR VISION

To be recognized as a leading manufacturer and supplier of high-quality RCC products that offer unmatched durability, strength, and performance to our customers.

## OUR MISSION

To consistently deliver innovative and customized RCC solutions to our customers that exceed their expectations in terms of quality, reliability, and affordability.
